

Credit Guide

We are Sucasa Loans Pty Limited ACN 106 968 370, Australian Credit Licence 443249.

We are licensed to provide loans under the *National Consumer Credit Protection Act 2009* (Cth) (**NCCP Act**). The NCCP Act regulates the activity of lending, leasing and finance broking.

This document provides information about the loans provided by us.

About Sucasa's Loans

We make loans to assist borrowers to purchase a property without paying mortgage Insurance or having a deposit equal to 20% of the purchase price of the property. Sucasa helps borrowers to achieve this through the use of:

- A Sucasa Primary Loan - a loan made on a first mortgage basis for up to 80% of the value of the property; and
- A Sucasa Accelerator Loan - a loan made on a second mortgage basis for up to 20% of the value of the property.

Sucasa may also make personal loans of up to 5% of the purchase price of the property to assist borrowers who have been pre-approved for a Sucasa Primary Loan and a Sucasa Accelerator Loan to pay the deposit on the purchase of the property. Sucasa's personal loans must be repaid upon settlement of the property.

Our Obligations to You

Under the NCCP Act, we are obliged to ensure that any loan, lease, or principal increase to a loan we arrange for you is not unsuitable. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives; and
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that at the time the loan is made:

- you could not pay or could only pay with substantial hardship; or
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide to us is accurate.

Credit Guide

We will provide you with a written copy of our credit assessment of your application within 7 business days if you ask for a copy within the first two years of the date of the credit contract or credit limit increase. If you ask for a copy of our credit assessment after two years but within 7 years of the date of the credit contract or credit limit increase, we will provide you with a copy within 21 business days. We are only required to give you a copy of the credit assessment if you enter into a credit contract or the credit limit is increased. The credit assessment will be provided to you free of charge.

Things You Should Know

If we offer a loan to you to purchase or refinance a property, you should make your own enquiries about the property. Although we may obtain a valuation, that is for our own use, and you should not rely on it.

You should ensure that Sucasa has given you pre-approval for a Sucasa Primary Loan and a Sucasa Accelerator Loan before you enter a binding contract to purchase a property.

We don't provide legal or financial advice. It is important that you understand your legal obligations under the loan and the financial consequences.

Before you accept your loan offer, make sure you read the credit contract/loan agreement carefully to understand full details of the loan. If you have any doubts, you should obtain independent legal and financial advice before you enter any credit contract.
